Come on out and enjoy Summer 2024 with the Lake Effect Jazz Big Band!

Now in its 25th year of bringing its unique blend of traditional big band and contemporary jazz arrangements to the summer venues of Michigan's beautiful southwest region, the Lake Effect Jazz Big Band continues to be one of the premier big bands in the Midwest. Specializing in new arrangements of classic standards, new compositions for contemporary big bands, and golden oldies, the band performs music from the libraries of Stan Kenton, Frank Sinatra, Ella Fitzgerald, Count Basie, Pat Metheny and others. The Lake Effect Jazz Big Band is committed to preserving the uniquely American art form of big band jazz in concert and jazz festival settings across Southwest Michigan.
